Profile

Experienced Peer Worker specializing in community services with a strong background in project management and mental health support. Led initiatives to deliver culturally appropriate resources and advocate for vulnerable populations, such as the International Students Project at headspace National. Skilled in trauma-informed and recovery-oriented approaches, passionate about facilitating systemic change through creative problem-solving and collaborative partnerships. Committed to improving client engagement, service delivery, and building inclusive communities.

EXPERIENCE

03/2024 – 10/2024
Naarm, Australia

Multicultural Practice Project Intern headspace National

- Led International Students Project, applying community development principles to engage students in design, building community capacity.
- Facilitated 4 co-design focus groups with 36 students for data, ensuring outputs met community needs.
- Developed culturally appropriate resources supporting international students, scheduled for national rollout across 300 headspace sites in Q4 2025.

03/2022 – 03/2024
Naarm, Australia

Client Social Worker Diamond Valley Community Support

- Delivered comprehensive crisis services with a strengths-based approach for over 400 clients facing criminalization impacts, family violence, and more.
- Collaborated with individuals to develop tailored support plans and advocate for those navigating complex challenges.
- Employed de-escalation techniques to ensure client well-being and safety.
