Hi NISHANT,

Thank you for submitting your claim. We're sorry to hear about what happened.

To move forward with your claim, could you please reply to this email with the following document:

- A **written statement from a repair shop** that includes an assessment of the damage, confirmation of whether the item is repairable, and the estimated repair cost.

A few things to keep in mind:

- We might ask for additional documents as we review your claim.
- If you don't hear from us straight away, don't worry – we're actively working on your case.
- A final decision might take a little time, depending on the review process.

If you have any questions or concerns, feel free to let us know – we're here to help.

Best regards,

Victoria
