

Elizabeth Jones

DEVELOPER

ABOUT ME

I am an experienced and passionate developer with many years of experience in the technology industry. My expertise lies in developing reliable and effective software solutions to meet the needs of enterprises and individuals.

EDUCATION

— CodeCraft University (2015 — 2018)

A cutting-edge institution that offers a highly personalized curriculum for students to learn the latest programming languages and technologies.

— Quantum Code University (2018 — 2020)

A futuristic educational institution specializing in quantum computing and cryptography. Students learn to write code that can exploit the power of quantum computing.

EXPERIENCE

— TechWise Solutions (02.20.2020 — 10.30.2021)

back-end developer

The company specializes in providing innovative technology solutions for businesses of all sizes. Their services include network setup and maintenance, data backup and recovery, cloud computing, and cybersecurity.

— CodeCrafters (11.05.2021 — 04.20.2022)

full stack developer

The company is a technology consultancy that helps businesses leverage the latest digital tools and platforms to improve their operations. They offer services such as digital strategy development, software implementation, and training and support for technology solutions.

— NimbleTech (01.01.2023 — 04.20.2023)

lead developer

It is a modern and innovative IT company that specializes in developing cutting-edge software solutions for businesses.
