EXPERIENCE - COMMUNITY SERVICES

Headspace National, Naarm - *Multicultural Practice Team Internship*

03/2024 - 10/2024

- Conducted focus groups with 20 former international students and young people to understand support needs.
- Performed thematic analysis of responses, drafting a 50-page research findings report.
- Findings will inform the design of culturally appropriate resources for national delivery in 2025.

Diamond Valley Community Support -- *Community Support Worker*

03/2022 - 10/2024

- Provided support to vulnerable clients facing hardship.
- Conducted 400+ client interviews, assessed needs, and connected clients with support options (food aid, material aid, referrals, advocacy).
- Developed strong interpersonal skills and a deep understanding of community development principles.

Thorne Harbour Health, Naarm - *Peer Support Group Facilitator*,

12/2019 - 11/2020

- Facilitated a therapeutic program for LGBTIQ+ individuals seeking to change substance use behaviors.
- Used the SMART Recovery framework to guide discussions and support harm reduction strategies.
- Covered topics like relapse prevention, sleep, nutrition, HIV & sexual health, mental health, and mindfulness.
-

Thorne Harbour Health, Naarm - *Sex-on-premises Venue Outreach*

12/2018 - 11/2019

- Provided support to 100+ clients at sex-on-premises venues, answering questions about sexual health, HIV, mental health, and substance use.
- Suggested appropriate referrals to clients.
- Engaged with diverse individuals in a respectful and inclusive manner

Thorne Harbour Health, Naarm - *COVID19 Food Delivery Volunteer*

03/2020 - 09/2020

- Delivered 1000+ food packages to isolated LGBTIQ+ clients during the pandemic.
- Assisted with access to essential services (food, medical appointments, legal aid).
- Provided emotional support and connections to community resources.

EXPERIENCE - BANKING

Coutts & Co, London - *Senior Business Analyst*

01/2016 - 09/2019

- Led business analysis for a compliance project related to the Payment Accounts Directive.
- Analyzed processes, identified gaps, and contributed to product redesign.
- Managed a £2 million payments project, involving 3500 bankers, improving efficiency and customer satisfaction.
- Demonstrated strong communication and stakeholder management skills.

Royal Bank of Scotland, London - *Project Manager*

06/2014 - 12/2015

- Managed a project defining a tax risk appetite for commercial banking.
- Developed and executed project plans, ensuring on-time delivery.

Independent Television News, London - *Business Analyst*

03/2024 - 10/2024

- Lead analyst on a finance transformation project, implementing Integra software.
- Mapped processes, facilitated workshops, and translated needs into system requirements.

National Australia Bank, Naarm - *Project Analyst*

01/2011 - 01/2014

- Defined requirements for new processes within a large-scale transformation program.
- Designed and mapped future state processes for contact centers.

National Australia Bank, Naarm - *Graduate Business Banker*

01/2009 - 12/2010

- Managed a portfolio of 100 small business clients, providing financial advice.
- Analyzed client needs, assessed creditworthiness, and recommended financial products.
